

THE FIRST 100% CLIMATE-NEUTRAL AIRCUSHION FILM

AirWave ClimaFilm

With AirWave ClimaFilm air cushions, you can achieve 100% climate neutral transport protection for the safe shipping of your valuable goods. Suitable for all AirWave and AirBoy machines from FLOETER.

AirWave ClimaFilm produced 100% climate neutral

ClimaFilm air cushion film is made using more than 53% recycled content, most of which is collected post consumer plastic.

With the support of rainforest projects, we actively contribute all CO₂ from production and the raw materials. The combination of this results in a 100% compensation of the CO₂ footprint of Floeter ClimaFilm.

100% AirWave transport protection with 100% climate-neutral film.
